

**This Spring, service changes will reflect the following to support ridership across the system:**

Continue to preserve access and quality of service for transit critical communities;

Provide sufficient service for returning riders and increased travel;

Accommodate riders who are returning to in-person school or work;

Support new travel patterns and behaviors.

Bus service changes will be effective on

**Sunday, March 13<sup>th</sup>**

**2022**, and the new schedules will be posted in early March. For more information about Bus, Subway, Commuter Rail and Ferry service changes in the Spring, please visit:

[www.mbta.com/servicechanges](http://www.mbta.com/servicechanges).

To share more information, we will be holding a Spring 2022 service changes public meeting on

**Tuesday, March 1<sup>st</sup>**

**at 6:00pm**. You can register the meeting

[here](#)

or visit [mbta.com/events](http://mbta.com/events)

If you have any questions, please feel free to reach me out.

Thank you for your time!

***Please feel free to forward this email to your constituents or members.***

Best Regards,
